Re: Request for Variance to Erath County Subdivision Regulations
Tiny Homes Retreat
Requirement for Road Width

Honorable Judge & Commissioners:

Please accept this letter as a request of the applicant for a variance to the Subdivision Regulation requiring the road width to be at minimum 28 feet. Justification for this request is as follows.

Granting of the variance will not be detrimental to the public health, safety or welfare, or injurious to other property. The owner had constructed the roadway and entrance with the understanding that they would be determined to be designated private roads. The roadway is currently approximately 12.0 feet in width and is utilized as the primary entry to the 7 private RV and tiny home locations.

The condition upon which the variance request is based is unique to the property for which the relief is sought – A request for road width variance would be applicable to only the road currently in existence which will be utilized for direct access to the proposed sites and not as a thoroughfare.

Because of the particular physical surroundings, shape, or topographical conditions of the specific property involved, a particular hardship to the owner would result, as distinguished from a mere inconvenience – To bring the existing road roadway into compliance with the 28' minimum road width specification, the entirety of the road would have to be widened, which would be a significant hardship to the owner as infrastructure is already in place as well as the site utility connections. The existing development will not be expanding, nor will it allow vehicles larger than standard size, entry.

We appreciate your consideration for your approval of the requested variance.

President

ORDER FORM

Fifth Asset, Inc., d/b/a DebtBook ("**DebtBook**") is pleased to provide Erath County, TX ("**Customer**") with the Services subject to the terms established in this Order Form, including DebtBook's Price Quote attached as **Exhibit A** and incorporated herein by this reference (the "**DebtBook Quote**"). This Order Form may be modified or replaced from time to time by a subsequent Order Form duly executed and delivered by each party in connection with any Renewal Term.

The Services are subject to DebtBook's General Terms & Conditions, which have been provided to Customer (the "**Terms & Conditions**"), and the Incorporated Documents referenced in the Terms & Conditions. Each capitalized term used but not defined in this Order Form has the meaning given in the Terms & Conditions.

Order Form Details	
Effective Date: 4/1/2023	Billing Frequency: Annually
Initial Term End Date: 3/31/2024	Payment Terms: Net 30
Initial Pricing Tier: 1	See the DebtBook Quote for more details

Services. Subject to the terms described in this Order Form, DebtBook will grant Customer access to the Application Services during the Initial Term described above and, if applicable, each subsequent Renewal Term. As part of the onboarding process, DebtBook will provide Customer with the Onboarding Services and, if requested, the Implementation Services. DebtBook will also provide Customer with the Support Services throughout the Term.

Fees. DebtBook will charge Customer (1) a recurring Subscription Fee for Customer's access to the Onboarding Services, the Application Services, and the Support Services and (2) if applicable, an Implementation Fee for the Implementation Services, in each case as set forth in the DebtBook Quote and this Order Form.

Generally, DebtBook sets Fees using its standard pricing schedule for the Services based on the Customer's applicable Pricing Tier, which is based on the total number and amount of the Customer's Application Obligations at the time of determination. DebtBook's current pricing schedule and Pricing Tiers are set forth in the DebtBook Quote, which will remain in effect with respect to Customer throughout the Initial Term.

The Initial Pricing Tier indicated above is based on Customer's good faith estimate of its Application Obligations as of the Effective Date. The Subscription Fees to be charged as provided in the DebtBook Quote will not change during the Initial Term, regardless of any change to the actual number or amount of the Customer's Application Obligations during the Initial Term.

Implementation Services. At Customer's request, DebtBook will provide Implementation Services to Customer for a 12-month period, with each such period beginning, if applicable, on the Effective Date and on each anniversary of the Effective Date thereafter (each, an "**Implementation Period**"). Customer may request Implementation Services at any time during the Term.

If Implementation Services are requested for any Implementation Period, then the Implementation Fee will be based on the aggregate number and amount of the Customer's Application Obligations at the beginning of such Implementation Period. The Implementation Fee will be due and payable at the later of (1) the beginning of the applicable Implementation Period or (2) the date on which Customer requests Implementation Services for such Implementation Period, and will entitle Customer, in each case, to Implementation Services at the applicable Pricing Tier through the end of the Implementation Period then in effect.

For any Implementation Period, if the total number or amount of Customer's Application Obligations implemented causes Customer's applicable Pricing Tier to increase, then DebtBook will charge Customer an additional Implementation Fee such that the total Implementation Fee charged for such Implementation Period equals the Implementation Fee applicable to the increased Pricing Tier as set forth in the DebtBook Quote.

Billing. Unless otherwise provided in the Order Form or the Customer Terms, all Fees will be due and payable in advance on the terms indicated above, and each invoice will be emailed to the Customer's billing contact indicated below.

Renewal Term. The Agreement is subject to renewal on the terms set forth in the Terms & Conditions. The Pricing Tier applicable for each Renewal Term will be determined based on the aggregate number and amount of the Customer's Application Obligations at the time of renewal.

Termination. The Agreement is subject to early termination on the terms set forth in the Terms & Conditions.

Entire Agreement. By executing this Order Form, each party agrees to be bound by this Order Form, the Terms & Conditions, the Incorporated Documents, and any Customer Terms.

This Order Form, the Customer Terms, the Terms & Conditions, and the Incorporated Documents constitute the complete "Agreement" between the parties and supersede any prior discussion or representations regarding the Customer's purchase and use of the Services.

Intellectual Property. Except for the limited rights and licenses expressly granted to Customer under this Order Form and the Terms & Conditions, nothing in the Agreement grants to Customer or any third party any intellectual property rights or other right, title, or interest in or to the DebtBook IP.

Important Disclaimers & Limitations. EXCEPT FOR THE WARRANTIES SET FORTH IN THE TERMS & CONDITIONS, DEBTBOOK IP IS PROVIDED "AS IS," AND DEBTBOOK DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. IN ADDITION, TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES' LIABILITIES UNDER THE AGREEMENT ARE LIMITED AS SET FORTH IN THE TERMS & CONDITIONS.

Notices. Any Notice delivered under the Agreement will be delivered to the address below each party's signature below.

Authority: Execution. 4. **Fees and Payment.**

5. **Confidential Information.**

(a) From time to time during the Term, either party (the "**Disclosing Party**") may disclose or make available to the other party (the "**Receiving Party**") information about the Disclosing Party's business affairs, products, confidential intellectual property, trade secrets, third-party confidential information, and other sensitive or proprietary information, whether in written, electronic, or other form or media, that is marked, designated, or otherwise identified as "confidential", or which a reasonable person would understand to be confidential or proprietary under the circumstances (collectively, "**Confidential Information**"). For the avoidance

of doubt, DebtBook's Confidential information includes the DebtBook IP and the Application Services source code and specifications. As used in the Agreement, "Confidential Information" expressly excludes any information that, at the time of disclosure is (1) in the public domain; (2) known to the receiving party at the time of disclosure; (3) rightfully obtained by the Receiving Party on a non-confidential basis from a third party; or (4) independently developed by the Receiving Party.

(b) To the extent permitted by applicable law, the Receiving Party will hold the Disclosing Party's Confidential Information in strict confidence and may not disclose the Disclosing Party's Confidential Information to any person or entity, except to the Receiving Party's employees, officers, directors, agents, subcontractors, financial advisors, and attorneys who have a need to know the Confidential Information for the Receiving Party to exercise its rights or perform its obligations under the Agreement or otherwise in connection with the Services. Notwithstanding the foregoing, each party may disclose Confidential Information to the limited extent required (1) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the party making the disclosure pursuant to the order must first give written notice to the other party; or (2) to establish a party's rights under the Agreement, including to make required court filings.

(c) On the expiration or termination of the Agreement, the Receiving Party must promptly return to the Disclosing Party all copies of the Disclosing Party's Confidential Information, or destroy all such copies and, on the Disclosing Party's request, certify in writing to the Disclosing Party that such Confidential Information has been destroyed.

(d) Each party's obligations under this Section are effective as of the Effective Date and will expire three years from the termination of the Agreement; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of the Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

(e) Notwithstanding anything in this Section to the contrary, if Customer is a Government Entity, then DebtBook expressly agrees and understands that Customer's obligations under this Section are subject in all respects to, and only enforceable to the extent permitted by, the public records laws, policies, and regulations of the Governing State.

6. Intellectual Property.

(a) DebtBook IP. As between Customer and DebtBook, DebtBook owns all right, title, and interest, including all intellectual property rights, in and to the DebtBook IP.

(b) Customer Data. As between Customer and DebtBook, Customer owns all right, title, and interest, including all intellectual property rights, in and to the Customer Data. Customer hereby grants to DebtBook a non-exclusive, royalty-free, worldwide license to reproduce, distribute, sublicense, modify, prepare derivative works based on, and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data as may be necessary or appropriate for DebtBook to provide the Services to Customer.

(c) Effect of Termination. Without limiting either party's obligations under Section 5 of the Agreement, DebtBook, at no further charge to Customer, will (1) provide Customer with temporary access to the Application Services for up to 60 days after the termination of the Agreement to permit Customer to retrieve its Customer Data in a commercially transferrable format and (2) use commercially reasonable efforts to assist Customer, at Customer's request, with such retrieval. After such period, DebtBook may destroy any Customer Data in accordance with DebtBook's data retention policies.

7. Limited Warranties.

(a) Functionality & Service Levels. During the Term, the Application Services will operate in a manner consistent with general industry standards reasonably applicable to the provision of the Application Services and will conform in all material respects to the Documentation and service levels set forth in the SLA when accessed and used in accordance with the Documentation. Except as expressly stated in the SLA, DebtBook does not make any representation, warranty, or guarantee regarding availability of the Application Services, and the remedies set forth in the SLA are Customer's sole remedies and DebtBook's sole liability under the limited warranty set forth in this paragraph.

(b) **Security.** DebtBook has implemented Appropriate Security Measures and has made commercially reasonable efforts to ensure its licensors and hosting providers, as the case may be, have implemented Appropriate Security Measures intended to protect Customer Data.

(c) EXCEPT FOR THE WARRANTIES SET FORTH IN THIS SECTION, DEBTBOOK IP IS PROVIDED "AS IS," AND DEBTBOOK HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. DEBTBOOK SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. EXCEPT FOR THE LIMITED WARRANTY SET FORTH IN THIS SECTION, DEBTBOOK MAKES NO WARRANTY OF ANY KIND THAT THE DEBTBOOK IP, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER'S OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER SERVICES, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

(d) DebtBook exercises no control over the flow of information to or from the Application Service, DebtBook's network, or other portions of the Internet. Such flow depends in large part on the performance of Internet services provided or controlled by third parties. At times, actions or inactions of such third parties can impair or disrupt connections to the Internet. Although DebtBook will use commercially reasonable efforts to take all actions DebtBook deems appropriate to remedy and avoid such events, DebtBook cannot guarantee that such events will not occur. ACCORDINGLY, DEBTBOOK DISCLAIMS ANY AND ALL LIABILITY RESULTING FROM OR RELATING TO ALL SUCH EVENTS, AND EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THE AGREEMENT, ANY OTHER ACTIONS OR INACTIONS CAUSED BY OR UNDER THE CONTROL OF A THIRD PARTY.

8. **Indemnification.**

(a) **DebtBook Indemnification.**

(i) DebtBook will indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) (collectively, "**Losses**") incurred by Customer resulting from any third-party claim, suit, action, or proceeding ("**Third-Party Claim**") that the Application Services, or any use of the Application Services in accordance with the Agreement, infringes or misappropriates such third party's US patents, copyrights, or trade secrets, provided that Customer promptly notifies DebtBook in writing of the Third-Party Claim, reasonably cooperates with DebtBook in the defense of the Third-Party Claim, and allows DebtBook sole authority to control the defense and settlement of the Third-Party Claim.

(ii) If such a claim is made or appears possible, Customer agrees to permit DebtBook, at DebtBook's sole expense and discretion, to (A) modify or replace the DebtBook IP, or component or part of the DebtBook IP, to make it non-infringing, or (B) obtain the right for Customer to continue use. If DebtBook determines that neither alternative is reasonably available, DebtBook may terminate the Agreement in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer, so long as, in each case, DebtBook promptly refunds or credits to Customer all amounts Customer paid with respect to the DebtBook IP that Customer cannot reasonably use as intended under the Agreement.

(iii) DebtBook's indemnification obligation under this Section will not apply to the extent that the alleged infringement arises from Customer's use of the Application Services in combination with data, software, hardware, equipment, or technology not provided or authorized in writing by DebtBook or modifications to the Application Services not made by DebtBook.

(b) **Sole Remedy.** SECTION 8(a) SETS FORTH CUSTOMER'S SOLE REMEDIES AND DEBTBOOK'S SOLE LIABILITY FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE SERVICES INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS. IN NO EVENT WILL DEBTBOOK'S LIABILITY UNDER SECTION 8(a) EXCEED \$1,000,000.

(c) **Customer Indemnification.** To the extent permitted by applicable law, Customer will indemnify, hold harmless, and, at DebtBook's option, defend DebtBook from and against any Losses resulting from any Third-Party Claim that the Customer Data, or any use of the Customer Data in accordance with the Agreement, infringes or misappropriates such third party's intellectual property rights and any Third-Party

Claims based on Customer's or any Authorized User's negligence or willful misconduct or use of the Services in a manner not authorized by the Agreement.

9. **Limitations of Liability.** EXCEPT AS EXPRESSLY OTHERWISE PROVIDED IN THIS SECTION, IN NO EVENT WILL EITHER PARTY BE LIABLE UNDER OR IN CONNECTION WITH THE AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, ENHANCED, OR PUNITIVE DAMAGES, REGARDLESS OF WHETHER EITHER PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE. EXCEPT AS EXPRESSLY OTHERWISE PROVIDED IN THIS SECTION, IN NO EVENT WILL THE AGGREGATE LIABILITY OF DEBTBOOK ARISING OUT OF OR RELATED TO THE AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE EXCEED THE TOTAL AMOUNTS PAID TO DEBTBOOK UNDER THE AGREEMENT IN THE 12-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM. THE EXCLUSIONS AND LIMITATIONS IN THIS SECTION DO NOT APPLY TO CLAIMS PURSUANT TO SECTION 8.

10. **Term and Termination.**

(a) **Term.** Except as the parties may otherwise agree in the Order Form, or unless terminated earlier in accordance with the Agreement:

(i) the Initial Term of the Agreement will begin on the Effective Date and end on the Initial Term End Date;

(ii) the Agreement will automatically renew for successive 12-month Renewal Terms unless either party gives the other party written notice of non-renewal at least 30 days before the expiration of the then-current term; and

(iii) each Renewal Term will be subject to the same terms and conditions established under the Agreement, with any Fees determined in accordance with DebtBook's then-current pricing schedule published on DebtBook's website and generally applicable to all users of the Services, as provided to Customer at least 60 days before the expiration of the then-current term.

(i) DebtBook may terminate the Agreement immediately if Customer breaches any of its obligations under Section 2 or Section 5;

(ii) Customer may terminate the Agreement in accordance with the SLA;

(iii) either party may terminate the Agreement, effective on written notice to the other party, if the other party materially breaches the Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured 30 days after the non-breaching party provides the breaching party with written notice of such breach;

(iv) if (1) Customer is a governmental entity and (2) sufficient funds are not appropriated to pay for the Application Services, then Customer may terminate the Agreement at any time without penalty following 30 days prior written notice to DebtBook; or

(v) either party may, to the extent permitted by law, terminate the Agreement, effective immediately on written notice to the other party, if the other party becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law.

(c) **Survival.** Only this Section and Section 1 (Definitions), Sections 4 through 6 (Fees; Confidential Information; Intellectual Property), Section 7(c) (Disclaimer of Warranties), and Sections 8, 9 and 12 (Indemnification; Limitations of Liability; Miscellaneous) will survive any termination or expiration of the Agreement.

11. **Independent Contractor.** The parties to the Agreement are independent contractors. The Agreement does not create a joint venture or partnership between the parties, and neither party is, by virtue of the Agreement, authorized as an agent, employee, or representative of the other party.

12. Miscellaneous.

(a) Governing Law; Submission to Jurisdiction. The Agreement will be governed by and construed in accordance with the laws of the Governing State, without regard to any choice or conflict of law provisions, and any claim arising out of the Agreement may be brought in the state or federal courts located in the Governing State. Each party irrevocably submits to the jurisdiction of such courts in any such suit, action, or proceeding.

(b) Entire Agreement; Order of Precedence. The Order Form, any Customer Terms, the Terms & Conditions, and the Incorporated Documents constitute the complete Agreement between the parties and supersede any prior discussion or representations regarding the Customer's purchase and use of the Services.

To the extent any conflict exists between the terms of the Agreement, the documents will govern in the following order or precedence: (1) the Order Form (2) the Customer Terms, (3) the Terms & Conditions, and (4) the Incorporated Documents. No other purchasing order or similar instrument issued by either party in connection with the Services will have any effect on the Agreement or bind the other party in any way.

(c) Amendment; Waiver. No amendment to the Order Form, the Terms & Conditions, or the Customer Terms will be effective unless it is in writing and signed by an authorized representative of each party. DebtBook may update the Incorporated Documents from time-to-time following notice to Customer so long as such updates are generally applicable to all users of the Services. No waiver by any party of any of the provisions of the Agreement will be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in the Agreement, no failure to exercise, delay in exercising, or any partial exercise of any rights, remedy, power, or privilege arising from the Agreement will in any way waive or otherwise limit the future exercise of any right, remedy, power, or privilege available under the Agreement.

(d) Notices. All notices, requests, consents, claims, demands, and waivers under the Agreement (each, a "Notice") must be in writing and addressed to the recipients and addresses set forth for each party on the Order Form (or to such other address as DebtBook or Customer may designate from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), or email (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage pre-paid).

(e) Force Majeure. In no event will either party be liable to the other party, or be deemed to have breached the Agreement, for any failure or delay in performing its obligations under the Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such party's reasonable control, including acts of God, flood, fire, earthquake, pandemic, epidemic, problems with the Internet, shortages in materials, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.

(f) Severability. If any provision of the Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of the Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

(g) Assignment. Either party may assign its rights or delegate its obligations, in whole or in part, on 30 days prior written notice to the other party, to an affiliate or an entity that acquires all or substantially all of the business or assets of such party, whether by merger, reorganization, acquisition, sale, or otherwise. Except as stated in this paragraph, neither party may assign any of its rights or delegate any of its obligations under the Agreement without the prior written consent of the other party, which consent may not be unreasonably withheld, conditioned, or delayed. The Agreement is binding on and inures to the benefit of the parties and their permitted successors and assigns.

(h) Marketing. Neither party may issue press releases related to the Agreement without the other party's prior written consent. Either party may include the name and logo of the other party in lists of customers or vendors.

(i) State-Specific Certifications & Agreements. To the extent required under the laws of the Governing State, DebtBook hereby certifies and agrees as follows:

(i) DebtBook has not been designated by any applicable government authority or body as a company engaged in the boycott of Israel under the laws of the Governing State;

(ii) DebtBook is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in the Agreement by any governmental department or agency of the Governing State;

(iii) DebtBook will not discriminate against any employee or applicant for employment because of race, ethnicity, gender, gender identity, sexual orientation, age, religion, national origin, disability, color, ancestry, citizenship, genetic information, political affiliation or military/veteran status, or any other status protected by federal, state, or local law; and

(iv) DebtBook will verify the work authorization of its employees using the federal E-Verify program and standards as promulgated and operated by the United States Department of Homeland Security and, if applicable, will require its subcontractors to do the same.

(j) Execution. Any document executed and delivered in connection with the Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. To the extent permitted by applicable law, electronic signatures may be used for the purpose of executing the Order Form by email or other electronic means. Any document delivered electronically and accepted is deemed to be "in writing" to the same extent and with the same effect as if the document had been signed manually.

**Erath County
Jail Commissary Audit
EXECUTIVE SUMMARY**

BACKGROUND

According to Local Government Code Sec. 351.0415, the sheriff of a county or the sheriff's designee, including a private vendor operating a detention facility under contract with the county, may operate, or contract with another person to operate, a commissary for the use of the inmates committed to the county jail or to a detention facility operated by the private vendor, as appropriate. The commissary must be operated in accordance with rules adopted by the Commission on Jail Standards.

The Erath County commissary is operated by Sterling Commissary, LLC. Inmates are allowed to purchase personal hygiene items, snacks, stationary, clothing and a multitude of other items available through a product list. Inventory is not held by Erath County. Money used to purchase commissary items by inmates is from the inmate's own resources and not from county funds. Erath County receives a 25% commission on all items purchased through the commissary. The proceeds received from commissions for the commissary operations may only be used for specific purposed outlines by the TDCJ.

Erath County also receives commission from City Tele-Coin Company (also known as CTC) on communication and media services provided to inmates. Erath County received commissions at the following rates: 65% for Direct Pay and Calling Card services, 30% for Video Visits, and 10% for Tablet usage. Calling cards are purchased from CTC to be held on hand for inmates to purchase.

OBJECTIVES

The observation and analysis evaluated whether documents, procedures, processes, and controls were in place to ensure that the accounts of the commissary are accurate. The objectives of this observation and analysis are to:

- Verify the existence of valid service agreements
- Verify that books are upkept and are accurate
- Verify that necessary documents are available
- Verify that proceeds from the commissary accounts are being properly used per local government code
- Verify complete and accurate bank reconciliations are performed
- Verify complete and accurate commissions are paid to the county
- Verify that commissions received are deposited into the appropriate account
- Verify that processes agreed upon between the commissary designee and the county are followed and completed

SCOPE

The scope of the audit is from October 1, 2021 through September 30, 2022

METHODOLOGY

- Reviewed the existing service provider agreements.
- Reviewed all transactions in the commissary checkbook and the running balance.
- Reviewed all invoices and receipts provided to verify purchasing compliance.
- Reviewed all bank statements and reconciliation reports for completeness and timeliness.
- Reviewed other commissary related purchases not paid with commissary funds.
- Reviewed all commissions to verify correctness and receipt of commissions.
- Reviewed all deposit receipts to verify that all forms of payment received were deposited.
- Reviewed all invoices from the commissary operator.
- Interviewed the commissary designee regarding operations and transactions of commissary.

FINDINGS

- Erath County contains a valid service agreement with Sterling Commissary, LLC.
- Erath County contains a valid service agreement with City Tele-Coin Company.

- Commissions earned up to July 2022 from Sterling Commissary, LLC and City Tele-Coin Company were received.
- City Tele-Coin Company calling card commissions earned in September 2021 were remitted directly to the Treasurer's Office instead of following the usual process of depositing these commissions into the commissary bank account. This discovery has been relayed to management over commissary and corrections are taking place.
- Sales tax is not reported or paid to the comptroller by Erath County for sales of calling cards to inmates. However, sales tax is paid to City Tele-Coin Company when calling cards are purchased from City Tele-Coin Company.
- The commissary designee was unable to retrieve invoices or receipts for a portion of purchases charged to the commissary account.
- A minor reconciliation discrepancy was carried through FY 2022. Per management, this balance has been carried through many years and the source of the discrepancy has not been found.
- A purchase made with a debit card not connected to the commissary bank account was incorrectly recorded in the commissary checkbook causing reconciliation to show an outstanding check in the amount of \$24.98.
- Purchases of items with commissary funds listed on invoices and receipts provided coincide with the Local Government Code (Sec 351.0415).
- All commissary bank account reconciliations were completed for FY 2022 and appear accurate. Completion dates are unknown.
- All reconciliations for bank account named Inmate Escrow were completed for FY 2022 and appear accurate. Reconciliations were completed within three months of statement end date.

CONCLUSION

Based on the observation and analysis of documents provided, bank statements, and other resources concerning the Erath County commissary accounts, it appears that commissary accounts are accurate for the period reviewed, with the exception of a few minor discrepancies. Necessary steps are being taken to improve processes and prevent discrepancies. Issues relating to vendor commissions, missing receipts and invoices, and minor mathematical errors have been discussed with the commissary designee and are being resolved.
